As the spokesperson for Elroy Preservation Association I am hereby requesting a postponement of the zoning hearing before the city council on September 27th, 2007. This would be case number C14-2007-0016. Or Stoney Ridge Phase D. Located at Elroy Road and Kellam Lane.

One of the Kellam Road property owners told me today he will be out of the country on business until 10/10/2007. He does not want to miss the meeting with the city council and his chance to speak.

Also our neighborhood association was not notify of the re-zoning of this property or the zoning hearing at city council and we need time to meet and discuss our options. We have 37 hard working members and scheduling is difficult at best.

I am requesting this be put back on the city councils agenda for 10/18/2007. I feel that this is only fair since yesterday was the 1st time I had heard about this, and this is the 1st day I have had to work on it.

Thank you for your consideration.
